NEW PERSONALIZED PLATES

Personalized plates are special plates issued to the owner of a motor vehicle for use only on that vehicle. Plates must have at least one letter but not more than seven characters total (a character is an upper-case letter, space, hyphen, or number.); a personalized plate may not display all numbers. Motorcycle, Motorized Bicycle (Moped), pickup trucks registered by gross weight, and recreational vehicle plates are limited to six characters. A vertical Motorcycle plate is limited to 4 characters and may not utilize a hyphen. One space or hyphen may be placed between adjoining characters (will be counted as a character, a space cannot be the first character). A personalized plate that offends public morals or decency may not be issued. Personalized plates cannot duplicate other existing plates or any plates in a numbering system used or reserved by the Driver and Vehicle Services Division.

The characters 1 (*one*) and I (*the letter "I"*) and Ø (*naval zero*), 0 (*zero*) and O (*oh*) are deemed to be the same and may not be duplicated to create new combinations (e.g. "TIM and "T1M" are the same).

TRANSFER OF PERSONALIZED PLATES

When you transfer (sell) a motor vehicle, you may leave the plates on the transferred (sold) vehicle. You will lose the rights to those plates and the buyer of that motor vehicle will assume the rights. Please submit a statement that the plates are to remain with the vehicle.

You may transfer the personalized plates to another motor vehicle registered in your name. You must complete another personalized plate application showing the description of the vehicle on which the personalized plates will be displayed. It is your responsibility to obtain regular plates for the motor vehicle on which the personalized plates were used.

If you are transferring the plates to a different class vehicle, (e.g., transfer from passenger class to gross weight class) new plates are required and must fit the number of characters allowed for that new plate type.

RETENTION OF YOUR PERSONALIZED PLATES (Minn. R. section 7403.0950)

If you wish to retain the privilege of your combination you must keep current registration on the vehicle that the plates are displayed on as stated in M.S.168.12, subd. 2a. If you fail to maintain registration, you may lose your rights to that combination.

If you do not have another vehicle to place your personalized plates on, you may submit a letter requesting an extension (not to exceed one year) of your rights to that combination or you may lose your rights to that combination. All correspondence must be submitted to the Division at the address listed on the front of this form.
